Mr W. H. Lyford,

Genl Counsel, C. & E. I. R. R., Chicago, Ill.

Dear Sir:-

Your favor of the 3rd is at hand. I note your statement that the Frisco System have no lines in Florida, therefore you do not feel that they would be interested in the harbor in West Florida referred to in my letter of Nov 28th.

Just now undoubtedly your interests would be better conserved through reaching such a port as New Orleans as quickly as possible, but looking bot far in to the future, and with your Memphis and Birmingham line heading directly that way, I am positive it would be profitable for your people to investigate soon the possibilities of the port of Saint Andrews.

Thanking you for the attention given to my communication I am

Very truly yours
